

O is an acoustic booth designed for making important calls, participating in video conferences and focusing on demanding tasks. Designed and manufactured by the Finnish company Framery, the soundproof O tackles the noise issues of the open office, increasing employee satisfaction and productivity. Ideally, the booths are installed in the middle of the workstations for easy access.

O features a wide range of colours and options for seating and tables. Automatic ventilation creates a fresh and comfortable working environment. The product is easy to assemble and relocate when necessary.

MATERIAL DESCRIPTION

Glass: Sound control laminated glass

Exterior: Painted sheet metal or brushed stainless steel.

See colour options on the next page
