

Framery 2Q with a table

Framery 2Q without furniture

2Q is an acoustic meeting room offering comfortable meeting space for 4-6 people. The booth is available to order with a conference table, or without any furniture, so you can furnish it according to your team's needs. 2Q's superior sound insulation system guarantees that your meetings won't disturb the office, and noise from the office won't disturb you.

The low doorstep also makes the 2Q accessible for wheelchair users. Automatic air ventilation creates a fresh and comfortable working environment. There is an option to add a screen bracket or a whiteboard to the cable bar on the back wall for some truly interactive meetings. The product is easy to assemble and relocate when necessary.

## MATERIAL DESCRIPTION

**Glass:** Sound control laminated glass  
**Frame:** Formica laminate on birch plywood with varnish trim  
**Exterior panels:** painted sheet metal  
**Solid walls and roof:** Sandwich element of sheet metal, birch plywood, recycled acoustic foam and acoustic felt. Anti-static and stain-resistant low loop pile carpet for public spaces. Electric air circulation system with occupancy sensor
